PRODUCT SHOWCASE

ENGLISH

DESCRIPTION

- Converter for wireless connection of scales, force measuring instruments, etc. with RS-232 interface to WiFi-enabled devices such as tablets, laptops, smartphones or networks
- In this way, where there is a physical separation or a large distance between the devices, the weighing data can be easily transmitted wirelessly from a scale to one or more WiFi devices or to a network (corresponding software required on the WiFi device, not included with the delivery)
- Allows direct integration of measuring devices into most company networks, with automatic configuration using DHCP or statistical IP allocation. The current measurement data can be accessed from the entire network at any time
- The converter supports a wide range of configuration options via the web interface
- Compatible with KERN BalanceConnection software
- Included with delivery: RS-232/WLAN converter, mains adapter (EU)

SPECIFICATIONS

Article codes, product groups & Status information

Model article-code	YKI-12
Model-Serie	YKI
Assortment	KERN
Product Type	General weighing accessories
Product group	Accessories (printer, etc.)
Product usage type	Accessories/DL
EAN code (Model)	4045761483385
Predecessor Model	YKI-03
Customs tariff number	84239010

CE Label	yes
Country of Origin	CN

Technical data - Power supply

Mains adapter	Power supply unit

Technical data - Packing & Shipping

Gross weight	0.40 kg
Net weight	0.20 kg
Shipping method	Parcel service
Packaging component - by weight - cardboard	194 g
Delivery time	1 d
